NOTES—First Sheet.

SUBJECT No. 86.

Supervision and control of lock-ups in the State.

Messrs. H. Krishnasastry, Katasubbiah, and Sambugowda, Krishnarajpete Taluk.

Summary of discussion.—The Police may be divested of all powers of interference with lock-ups in the State, separate independent agencies being appointed for their supervision and control and non-official visitors allowed to pay surprise visits to them.

Mr. H. Krishna Sastri.—(1) The Police should be divested of all powers of interference with lock-ups in the State; (2) and non-officials should be allowed to visit lock-ups.

Reply of Government.—(1) All this is under consideration in connection with the re-organisation of lock-ups.

(2) This is not a desirable proposition. It is a good thing to have non-official visitors for big jails, but not for lock-ups.

(1) There does not appear to be any reference on this subject— The opinions of the I. G. of Police & the I. G. of Prisons will if approved, be called for.

The opinion of the I.G. that the
supervision of Taluk Lockups by a
separate agency is very necessary
and that the police who are deputed
for guard duty may be divested of all
powers of interference with the Lockups.

The opinion of the I.G. of police is that,
at places where Bench Courts have
been established, the existing arrangements
might continue and that persons remanded
during investigation of a Cognizable and
non-bailable Case should be in the
custody of the police. He also states

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

A system of dual Control seems to be prevailing in the Madras Presidency

The warder is the officer responsible for the Correct distribution of food, regulation of the labour & the Cleanliness of the Sub-jail wards and he has to keep the keys of the wards, unlocking and locking the doors himself and report any irregularity ~~to~~ to the Supdt etc

The guarding of Subsidiary jails & the prisoners therein are Corresponded by the police and the police Guards are responsible for the safe Custody of the prisoners both while the prisoners are in the wards and while they are removed for labour to the Cook house, latrine etc

Sir,

With reference to your letter No. 20436-7/Pris. dated 3rd. ultimo asking my opinion in the matter of Representative Assembly subject No. 86 of the April Session of 1919 re Supervision and Control of Lock-ups in the State, I have the honour to state as follows:-

The District Lock-ups as well as the Central Jail and the Mysore Jail are not in the supervision and control of the Police Department. The Taluk Lock-ups are ~~maimed~~ manned by the Police but are under the supervision of Sub Registrars. Under the scheme for the separation of the Judicial and the Executive, proposals have been submitted and sanctioned for additional Police for guarding of the Lock-ups at places where courts are newly established. There can be no objection to this additional force being treated to be warders under the Lock-up officer i.e. Sub Registrar. At places where courts of Honorary Bench Magistrates have been established and where there may not be many prisoners, the existing arrangements might continue. As regards persons remanded in ~~in~~cognizable and non-bailable case , it is very necessary that these should be in the custody of the Police.

I have the honour to be,
Sir,
Your most obedient servant,
